

Move With Me

*Music by Thomas Siffling
Lyrics by Hendrik Achenbach*

1

Hey pretty girl what's on your mind
Why don't you leave this lad behind
Hey pretty girl what's on your mind
why don't you come with me

(Repeat, optional)

Chorus

First she said "I want you"
Then she said "Now don't you!"
Boy she seemed prepared to
love you but she won't

2

Come little darling dance for me
right here beneath the cocoa tree
Come little darling dance with me
Why don't you move with me

*Trumpet solo (choir: wild cocoa tree
dance)*

(Chorus)

3

Why do you say it's over now
I can't go on I don't know how
Why do you say it's over now
Oh can't you stay with me

Chorus
