

Lazy Morning (Christmas)

*Music by Thomas Siffling
Lyrics by Hendrik Achenbach*

Waiting I was waiting for the day to begin
Turning in my bed until the night turned in
Longing for my mother's voice "Wake up! It's Christmas time"
Hoping for the moment when the churchbells would chime

8 bars of vocal ad-libs

|: Oh, what a morning
twelve twenty-five :|

Candles cast a soft electric glow on the tree
New toys were the only thing that I could see
This is how it was when lazy morning had arrived
On 12/25 the greatest day of my life

8 bars of vocal ad-libs

Oh, what a morning
twelve twenty-five
Oh what a morning
day of my life
